Subject: NORDAM Europe Ltd Further Extension of CAAC MOC Approval – F04400451

Dear Customer,

I am writing to inform you that NORDAM Europe Ltd has received a further extension from the CAAC, via their online customer portal to extend the validity of our CAAC Part 145 Maintenance Organisation Certificate (number F04400451), which expired on the 31.12.2020 until the **30th June 2023**. This temporary approval is based on the CAAC being unable to process our approval renewal application during 2022.

This temporary approval is valid until NORDAM Europe Ltd have received any other formal approval issued by CAAC HQ or before the day **June 30th, 2023**, whichever comes earlier. NORDAM Europe Ltd are therefore approved to release Aircraft components after completion of maintenance work during this period by this Special Approval, and the work scope being limited to the Ratings specified on the Maintenance Organisation Certificate No F04400451.

Regards
